The health and temperament of this dog is excellent to the best of our knowledge at the time of sale. The records of the vaccines and deworming are given with the dog. Our dogs are vet checked prior to selling them and we advise the BUYER to have the dog examined by a licensed veterinarian of buyers choice within 48 hours after receipt of the dog. We recommend you take a stool sample. If the vet finds the dog in poor health, the dog must immediately returned to us for a replacement of equal value unless other arrangements are mutually agreed upon. Failure to see a vet in 48 hours will void all guarantees.

If this dog develops crippling hip/elbow dysplasia or proven genetic disorder at any time from purchase to 2 years of age (confirmed by x-rays from a competent licensed Vet) the dog should be returned to us at the expense of the buyer. We will replace the dog(due to crippling dysplasia) as soon as possible with a replacement of equal value to the dog at the time of original purchase. We reserve the right to request that the x-rays be send first for review to a board-certified Veterinary Radiologist or other veterinarian of our choice. Should the buyer prefer to retain the said dog,the buyer thereby forfeits any replacement unless other arrangements are mutually agreed upon. This guarantee is void if Penn-Hip procedure has been used at any time during the life of the dog.

Purchase price of \$ _____ is acknowledged. Buyer acknowledges that he/she is primarily buying this dog as a personal or family companion even though the dog may have show quacity. Buyer understands dog is not guaranteed for show or breeding and buyer has no obligation to cellar for showing or breeding this dog nor for sharing stud fees or puppies resulting thereof.
